Re: 07 Civ. 7790 (SAS)(HBP)
Coleman v. Cudney, et al.

Your Honor:

On Thursday, January 17, 2008, I was diagnosed at the Emergency Room of Bellevue Hospital with a stomach virus (copy of emergency room receipt enclosed) and was unable to work for awhile. This is to request an extension to February 1, 2008, to respond to the ALJs Landes' and Geller's motion for dismissal, and to February 8, 2008, to the lawyers Korn and Caban's motions for dismissal.

On Friday, January 18, 2008, I told Mr. Riley of this, and left telephonic messages with defendant's attorneys (Mr. Baxter said he also was ill). I have heard no objections, and have no objections if they request similar extensions.

Thank you for your kind consideration.

Sincerely,

A handwritten signature in dark ink, appearing to be "Michael Coleman", written over a horizontal line.
